

# Indy Parks & Recreation Douglass Family Center

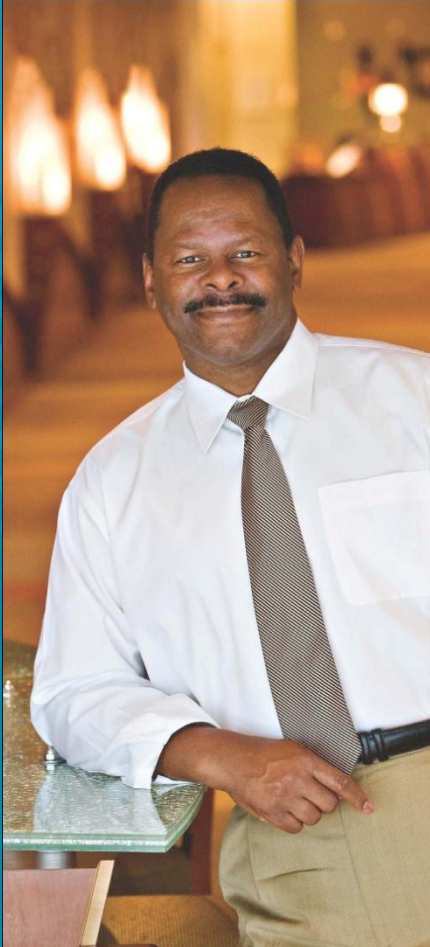

Community Meeting: October 18, 2011

# Curtis J. Moody AIA, LEED AP NCARB President & CEO

A portrait of Curtis J. Moody, President & CEO of Moody•Nolan. He is a Black man with a mustache, wearing a white dress shirt and a patterned tie, standing in front of a blurred background of warm lights.

 **AIA Ohio**

2007 Gold Medal Award

2006 Gold Medal Firm Award

On behalf of the entire firm, I would like to extend sincere thanks to our clients, colleagues, friends and associates for their ongoing support and the wealth of opportunities afforded us. The practice of architecture is truly a collaborative enterprise. We have been lucky to have shared this undertaking with a long list of clients that have shared our vision and contributed to our professional growth. These shared ventures have allowed us the opportunity to hone our craft and enhance our ability to provide professional service.

Our staff has grown to encompass a diverse group of talented and committed individuals. They are a truly creative team, focused on specific project goals, allowing us to deliver what we call "Responsive Architecture". It is the coming together of this outstanding group of people, and especially their ability to engage in productive collaborations with exceptional clients and consultants, that have allowed us to grow to the firm we are today.

Thank you,  
Curtis J. Moody, FAIA, NCARB, LEED AP

# Possibilities & Trends

In COMMUNITY / Recreation Center Design

## Virtual Tour Community Recreation Facilities

# Open, Inviting & Safe

- Entrance & Image
  - Easy to find
  - Well lighted
  - Sense of safety day & night

# Comfortable Lobby

- Community Living Room
  - Social Space
  - Meeting & Waiting Space
  - Display the Community's Heritage
- Should have good views into Activity Spaces

# Welcome Desk

- Reception, Information & Program Registration
- Check in/ controlled access
- Brochures/Schedules/Display
- Signups and equipment checkout

# Views & Inter-connected Spaces

- Create Visible Activity and Excitement
- Invites you to try new activities
- Reinforces casual supervision
- CPEPT-Crime Prevention through environmental design

# Multi-purpose Gym

- Main court 84' x 50' (74' x 45')
  - 2 cross courts
  - Volleyball & badminton
- Often used as an assembly space

# Activity Rooms

- Teens
- Games
- Computer Classroom

# Special Activity Areas

- Informal Gathering Areas
- Arts & Crafts
- Public Art

# Watching the Children Play

- Parents must be in center (church nursery model)
- Pre-School Programs

# Senior Spaces

- Seniors want a space of their own during the day
- Seniors may use entire center during the day
- Multiple use of this space after 5:00PM

# Multipurpose Meeting & Class Rooms

- Off lobby or free-zone
- Adjacent to kitchenette
- Functional & Flexible

# Food: Cooking, Catering or Vending?

- Commercial kitchen equipment \$\$\$
- Catering and warming kitchen
- Increases multi-use opportunities
- As part of a classroom

# Jogging/Walking Track

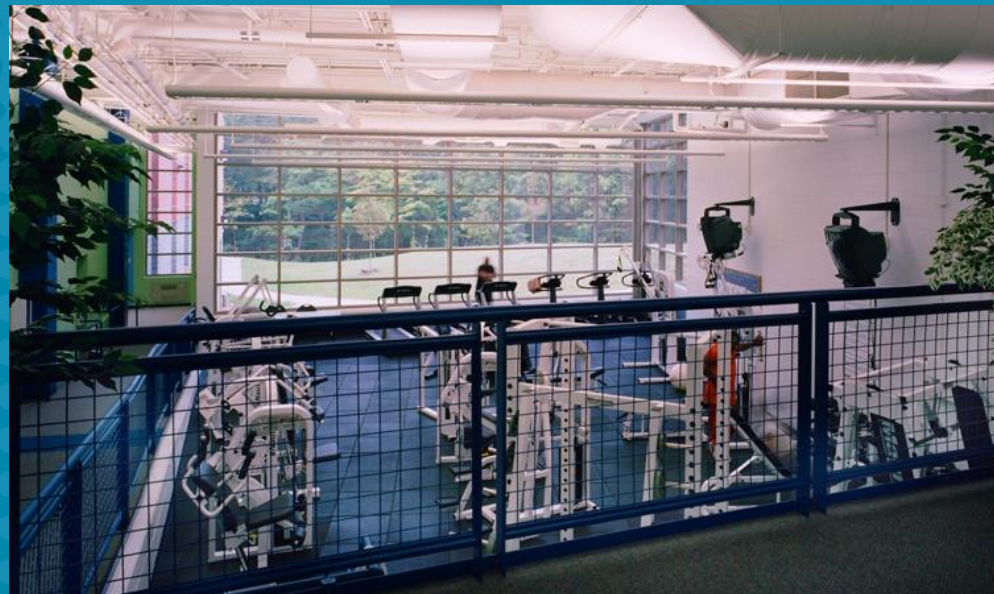

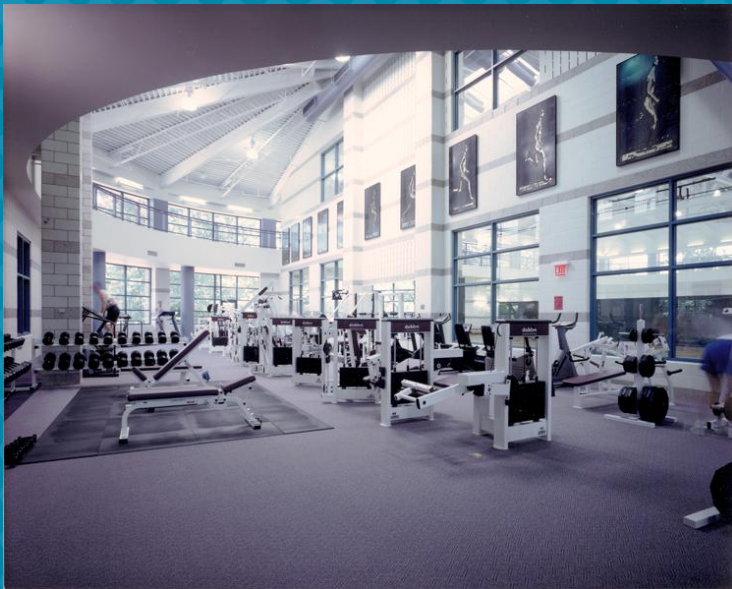

- Walkers and joggers not runners
- 3 lanes wide
- Length may vary
- Exercise and social space-views and action

# Fitness Spaces

- Cardio, Selectorized and Free Weights in same space
- Provide a variety of views + TVs
- Supervised for instruction & safety

# Group Exercise & Dance Studio

- Aerobics to Yoga
- Cubbies in space
- Resilient wood floor
- Ballet bar and Mirrors
- Control HVAC & views

# MAC, Multi-Activity Court

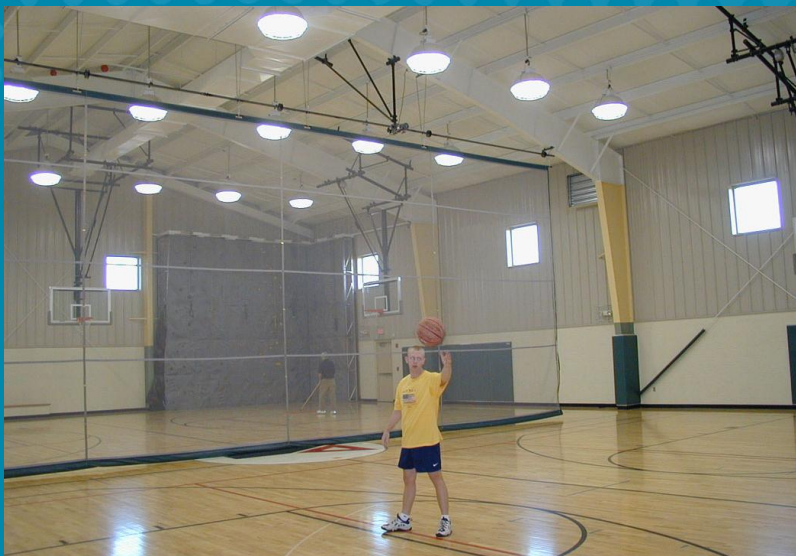

- Not a regulated size
- Often synthetic flooring
- Gymnastics, Indoor Soccer, Dances, Movies, Sleep-overs.....
- Convenient Storage Essential

# Climbing Walls

- Creates dynamic space, art wall
- “Extreme Sport” popular with youth & teens
- Builds self-esteem
- Revenue generator

# Storage: Essential for Flexible Programs

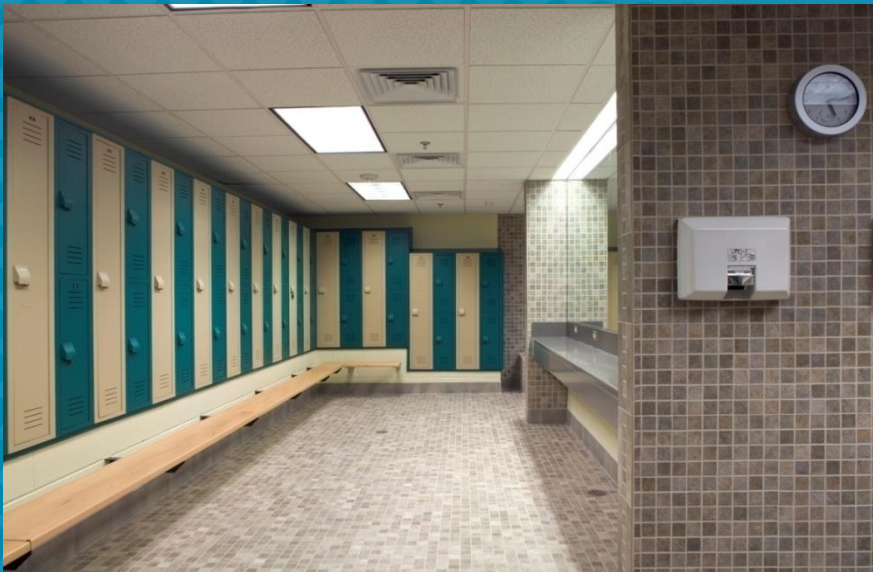

- Convenient
- Organized
- BIG Enough!

# Locker Rooms

- Minimal use except with pools
- Small day lockers secure belongings
- Pleasant environment

# Family & Companion Assist Toilets

- For special needs, families & seniors
- Exceed ADA Requirements, changing tables

# Staff Offices

- Usually proximate to Welcome desk
- Private & Open offices
- Community conference room
- Good offices = Productive Professionals

# Get GREEN Sustainable Design

- Sustainable Sites
- Water Efficiency
- Energy & Atmosphere
- Materials and Resources
- Indoor Environment Quality
- Innovation in Design
